Introduction

With the opening of the 1978-79 academic year marking my 15th in the presidency of Bridgewater College, I wish to note with personal regret the announced intention of Dr. R. Douglas Nininger to retire from the chairmanship of the Bridgewater College Board of Trustees. My first contact with Dr. Nininger was during the summer of 1963 as the Search Committee, charged with finding a successor to Dr. Warren Bowman, began its work. Since those days I have come to hold Doug Nininger in high esteem, both as a friend and as a colleague. His dedication and commitment to Bridgewater are of the highest order, and the value of the impact of his leadership with the Board of Trustees and the college during his many years of service is inestimable. Dr. Nininger, who was first appointed to the Board in 1941 and has served as Chairman since 1960, will be stepping down from the chairmanship at the fall Board meeting. On behalf of the entire campus community, I wish to express heartfelt appreciation for his leadership and his life of helpful service.

All of us associated with the college suffered a deeply felt loss in the tragic death of Richard D. Obenshain, Richmond attorney and Republican candidate for the U.S. Senate, who died in a plane crash in early August. An outstanding individual, Dick had a great fondness for Bridgewater College. He served as President of the Alumni Association and was a member of the Board of Trustees at the time of his death. He leaves us all with his example of dedication to high idealism and his earnest endeavors to work toward the goals he espoused.

Significant progress is being achieved in a number of areas on campus. I am pleased to report that gifts and pledges to the 8 x 80 Program grew from \$2,877,499 at the end of fiscal 1977 to \$4,532,657 in the early months of fiscal 1978-79. Much of the growth reflects the million dollar gift commitment by Mr. V. L. Frederick, a Northern Virginia businessman. This commitment puts us significantly closer to the \$8 million First Century Completion Fund goal to be reached by 1981, the end of our centennial year.

In that vein, I am pleased to report that a centennial committee chaired by Mrs. Violet S. Cox, '59, has been formed and is already making plans for the college's centennial. Founders Day, 1980, will begin the centennial year, and Founders Day, 1981, will conclude it. We are anticipating a meaningful celebration which will focus attention on both the past accomplishments and future potential of Bridgewater College.

Capital projects within the First Century Completion Fund Program are proceeding according to schedule. Planning for the construction of the swimming pool addition to the alumni gymnasium is going well, and it is hoped that ground can be broken in late spring. Also, a committee has been appointed to consider the renovation of Wardo Hall, presently a men's residence hall, for usage as a classroom and office facility.

In keeping with the college's motto "For a Career—For a Better Life," the career counseling office has been strengthened with the appointment of Dale E. Mekeel as Director of Internships. Mr. Mekeel, who until recently served as my assistant, will further develop the college's internship program, providing opportunities for more students to take advantage of this practical on-the-job training.

Bridgewater's concern for the whole person plays a very real part in increasing enrollment. For the second consecutive year enrollment has risen with a freshman class approaching 300 students and a student body nearing 900. While our program is being better presented to and gaining acceptance by larger numbers of prospective students, it is imperative that their experiences here measure up to their expectations. In order to strengthen further our program, beginning faculty meetings this September were devoted in large part to a thoughtful discussion of the relationship of a liberal arts education to preparation for life and career. Typically, our faculty entered these discussions with purposefulness indicating their continuing concern to further the aspirations and accomplishments of our students.

On the subsequent pages you will be learning more of the progress Bridgewater has made over the past fiscal year—one which has been filled with enriching experiences for our campus community. I know you share my pleasure in the ongoing growth in the quality of our college, for through your interest and support you have been a partner in our success. We are grateful for what we have been able to do together, and we are mindful of the great and challenging work yet to be done.

Students

Commencement

One hundred and thirty-four students received bachelor of arts and bachelor of science degrees in commencement exercises May 28th. Eighteen graduated in August. This number compares with 147 receiving degrees in May and 19 in August in 1977.

Eight students were graduated summa cum laude with a 3.8 quality point average or better: Richard L. Binns, Thomas M. Fallon, Karen E. Glick, Denise L. Lovelace, Patricia L. Rohrer, Cathy A. Simmons, Spring T. Ward, and Dawn D. Raisner. Nine students graduated magna cum laude (3.5 or better), and 28 graduated cum laude (3.2 or better).

The commencement address was given by Dr. Robert L. Sherfy, '34, recently retired pastor of the College Street Church of the Brethren in Bridgewater. Dr. Sherfy holds the B. D. degree from Bethany Seminary and was awarded the honorary Doctor of Divinity degree from Bridgewater College in 1955.

Dr. Raymond R. Peters, '28, of Sebring, Florida, spoke at the morning baccalaureate. He also holds the B.D. degree from Bethany Seminary and was awarded the honorary Doctor of Laws degree from Bridgewater College in 1955.

Enrollment

Enrollment in the fall of 1977 was 829, up 6.4% over the preceding year's enrollment of 779. It included 433 men and 396 women from 18 states, the District of Columbia, Afghanistan, Bangladesh, Burma, Guyana, India, South Korea, Spain, Venezuela, and Viet Nam. Included in that number are ten part time students and auditors and three students who studied under the Brethren Colleges Abroad program in Strasbourg, France and Barcelona, Spain.

The geographic origin of students in the 1977-78 academic year follow:

Virginia.....	582	Florida.....	11
Maryland.....	106	New York.....	6
Pennsylvania.....	41	West Virginia.....	11
New Jersey.....	34	Delaware.....	13
Other states, foreign countries,			
District of Columbia.....			25

Interterm

The interterm continues to make a significant impact upon the college community. Each year students and faculty members gain new perspectives from the stimulation that it offers. In an on-campus course called "Roots," each student learned the techniques of ancestor tracing, collected information on a family, and wrote a short family history. "Perspectives and Problems of the Aging" helped shed light on issues related to the field of geriatrics. The Department of

Philosophy and Religion offered courses focusing on Christian perspectives on world peace, Black religious experiences in America, Church of the Brethren history, and contemporary moral and political problems.

Off-campus experiences included a course concentrating on wilderness literature and survival skills which operated from a base camp in Temagami, Ontario, with field trips that included winter camping, cross country skiing, and snowshoeing. A study of tropical aquatic comparative psychology was conducted in San Salvador in the Bahamas with observation and study of the conditioning and adaptive behavior of marine animals. A study of the history, flora, and fauna of Bermuda and its surrounding waters was carried out at the Bermuda Biological Station for Research at St. George's. Students on the literary tour of England and Scotland visited places associated with British literary figures. Another class toured Mexico City and its environs to gain firsthand knowledge of the country and its culture.

Independent Study and Internships

During the year more than 100 independent studies were carried out by students in preparation for future vocations.

Zelene Harmon, a junior history and political science major, was selected to represent Bridgewater as an undergraduate research scholar at the George C. Marshall Research Foundation during the interterm. She concentrated on the role that Robert Murphy played in the Allied Invasion of North Africa, referred to as the "Torch Operation."

Richard Ebling, majoring both in general science and chemistry, spent the summer of 1978 in the undergraduate research program of the University of Virginia Chemistry Department. He was one of eight students from across the southeastern part of the United States accepted into the program. He plans to pursue graduate work leading to the Ph D. in pharmacology.

A number of home economics majors gained practical experience while working with area businesses and agencies. Through practicum assignments, they were able to pursue independent interests. They included studying: food wastage problems and meal planning; retail selling and sales management; kitchen design; and assessing the nutritional health and housing needs of poverty families.

Other internships and independent studies included experiencing recreational leadership in the Harrisonburg Department of Parks and Recreation; gaining experience in counseling with the Massanutten Mental Health Center; carrying out title searches for a local law office; studying a company that leases

computer terminals; learning the phases of successful milk processing at the Valley of Virginia Milk Producers'; working with the District Court; gaining experience in accounting procedures in a local accounting firm; preparing a study of farm lands to assist the Rockingham Farm Loan Corporation in making appraisals; studying the local banking market for a bank; and working as an assistant minister in Hagerstown, Maryland.

In many instances the students were able to benefit not only themselves but also the companies and organizations in which they were placed. This program appears to be building the community support that will allow it to expand and benefit even greater numbers of students and businesses in the years to come.

Forensics, Drama, and Art

Bridgewater College debaters, under debate coach Dale E. Mekeel, had a successful year, compiling a 60.14% win record. Dan Ulrich, Burton Metzler, Scott Fauber, Dan Neher, and Douglas Brown took team and individual honors in a number of tournaments during the year including first place in the Washington & Lee Invitational Tournament, first place in the Virginia Forensics Association State Tournament, as well as first place in the novice division of the Morris Harvey Invitational Tournament. They also garnered a number of individual speaker awards. Dan Ulrich was elected regional secretary-treasurer of Delta Sigma Rho-Tau Kappa Alpha, honorary forensics fraternity.

The Pinion Players' full-length production in the fall of '77 was *The American Dame*, a serio-comic history of women through the ages beginning in the Garden of Eden. Called a "play-out" by the author, Phillip C. Lewis, it is a dramatic form in which the actors announce a theme and then act it out. Three different casts gained experience under the direction of Ralph MacPhail, Jr., in the three parts of this dramatic production.

Four student-directed one-act plays were presented in January. Nancy Payne, a senior, directed "If Men Played Cards as Women Do," by George S. Kaufman. Jennie Hommel, a junior, directed William Saroyan's "Hello, Out There." "The Appollo of Bellac," a fantasy by French dramatist Jean Giraudoux, was directed by Elaine Smith, and an original script, "Soliloquy," was directed by senior Cindy Orr.

The spring production, *Antigone* by Jean Anouilh, was effectively presented in-the-round on the Cole Hall stage. Mr. MacPhail invited the cast and technical crews of the 1964 production of *Antigone* back to campus for this performance.

Senior art majors, James Dean, Patricia Morris, Anita Hall, and Jennie Hommel, had works on display in the Kline Campus Center Art Gallery during the month of May. The gallery has a diversified appeal, attracting Bridgewater students, public school students, and numerous visitors from the community.

Debbie Link, a junior art major, won two awards in the Staunton Annual Art Festival, sponsored by the

Staunton Fine Arts Association. Among the 150 artists who were exhibiting their work, she won first place in the drawing and print category and second place in sculpture.

Music

One of the enriching aspects of campus life is the tradition of fine musical performances by vocal and instrumental ensembles.

The Oratorio Choir, under Professor Philip E. Trout's direction, presented three short choral works early in December. Led by Thomas R. Thornley, Director, the Concert Band presented a Christmas program on December 15 and a convocation concert in April. The popular Stage Band, also under Professor Thornley's direction, played for civic organizations, schools, alumni, and college affairs during the year.

The 16-voice Chorale, under the direction of Jesse E. Hopkins, was featured during the spring in a half hour television program filmed by local public television station WVPT-TV. The Chorale's program consisted of traditional and contemporary music, spirituals, and vocal solos. During weekends in the spring both the Chorale and the 45-voice Concert Choir, under the direction of Professor Trout, toured Pennsylvania, Maryland, West Virginia, and Virginia. The Choir sang a wide variety of music ranging from Palestrina and Mozart to the contemporary musical, "Pearlie," and such spirituals as "Peace Like a River," and "Fare You Well."

Athletics

The sports highlight of the year was the winning of Old Dominion Athletic Conference championships in both baseball and track on the same day.

The baseball team gained a 16-6 win over Hampden-Sydney in the first round and a 5-2 victory over Randolph-Macon for the championship. Coach Jim Reedy was named ODAC "Coach of the Year." With a 15-7 regular season record the team had an overall batting average of .309, led by senior captain and outfielder Russ Laub with a .394. Pitcher Larry French, 6-1, was named to the All-Conference team.

The track team had a perfect 10-0 record with Coach "Doc" Jopson named ODAC "Coach of the Year." The top individual performer in the conference meet was freshman Duane Harrison with firsts in the long and high jumps and third in the triple jump. He established a new conference record of 6' 4½" in the high jump. The score was 78½ over Lynchburg College's 61½, well ahead of the other competing schools. Dr. Jopson also received the Walt Cormack Track and Field award at the Virginia Intercollegiate State Indoor Track Meet in February at the Richmond Coliseum.

In fall sports, the football team, posting a 3-5-1 record, was led defensively by senior linebacker John Holland who was named to the All-Conference First Team for the second year. Art Andrey, also named to

the first team, led the ODAC in completions per game, and Tony Davenport finished fifth in the conference in rushing, gaining 393 yards in Bridgewater's pass-oriented offense.

The cross country squad finished the season in second place position in the ODAC. Senior Curt Rowland led the Eagles with a third place finish. Also in the top seven were junior Jerry Crouse and sophomore Darryl Metts. The team had a 7-2 regular season record and were 4-1 in the conference.

The field hockey squad, coached by Laura Mapp, finished the season with a 4-12 record due in part to inexperience and youth. The team was led offensively by Susan Derrow, Liz Byers, and Alice Hopkins, and defensively by Debbie Carlough. Kathy Moss, Lani Wright, and Donna Nichols.

The men's basketball team took fourth spot in the ODAC tournament paralleling their fourth place conference score standing in the regular season—a 3-7 record. Chris Wilbourne led all scorers with 33 points in the opening game against Washington and Lee, although the Eagles lost 108-80. He was third leading conference scorer and was named to the All-ODAC Second Team. Captain Billy Pope led the team in assists and steals, and Center Jim Hodges, the Eagles' 2nd leading scorer, led in rebounding.

In basketball, the women finished with a 16-5 record and an 8-1 conference record. They entered the tournament of the Virginia Federation of Intercollegiate Sports for Women as top seed, having captured the state title the last two years. After a first round win over Clinch Valley, they were defeated by Virginia State and later, by William and Mary. These losses dropped their record to 17-7 and a fourth place finish in the tournament. The team was led by Cathie and Janet Stivers and Susan Derrow. Point-guard Anne Brown was the playmaker and led in assists, followed by Doris Scott, Jean Willi, and Gail Southard. Bridgewater hosted the Association of Intercollegiate Athletics for Women Regional Tournament in March with the first place teams from five states, two second place teams, and the host school rounding out the eight team field.

In spring sports the women's tennis team finished with an even 5-5 record under Coach Laura Mapp. Senior Susan Derrow, playing at the No. 1 position, and freshman Alice Hopkins, No. 3, both posted 6-4 records. The Eaglettes finished 2nd in the Clinch Valley Invitational Tournament with Alice Hopkins, becoming the No. 3 singles champion. The No. 1 doubles team of Susan Derrow and Jeannie Buchmoyer finished first in their position.

The women's lacrosse team, coached by Mary Frances Heishman, had a regular season 5-4 record, and, after the tournament performances, closed with a 6-6 record. In the Virginia Women's Lacrosse Association State Tournament at William and Mary, Bridgewater lost to Madison in the first round but bounced back to defeat the University of Richmond. In their final game, the Eaglettes fell to Hollins. Representing Bridgewater and the State of Virginia in the Southern

Harry Hallett as Creon and Cyndi Orr as Antigone in the spring production of *Antigone*.

District Tournament at Goucher College were Donna Nichols, Karen Sanger, Kathy Moss, and Carolyn Phillips. Nichols was then selected to play on the Southern District III team at the National Tournament.

The men's tennis team with a 10-4 record was the best in the school's history. Playing at the No. 5 position, senior co-captain Johnny Milleson had a 12-2 record. Freshman Ricky Falls, playing at Nos. 3 and 4, had a 10-4 record. Others with winning records were Jeff Jones, 9-5, Steve Young, 7-3, and Dave Darden, 3-1. The team was coached by Carlyle Whitelow.

The Eagle golfers finished fifth out of a ten team field in the state tournament and fifth in the ODAC under Coach Lamar Neal. Dave Wood finished fourth in the ODAC tournament, hosted by Bridgewater College at the Staunton Country Club. He was also named to the All-Conference team.

Lowell Heisey, Biology Department professor, visits with the Lloyd Wakeman family of Luray at the reception for new students. Their son, George, is a member of the Class of '82.

Mary L. Rushton, Chairman of the Home Economics Department, consults with senior Delise Brown who held an internship during spring term at Dentons Furniture in Harrisonburg.

Faculty and Administration

Fine Arts

Paul M. Kline, Chairman of the Art Department, received the First And Merchants National Bank award for sculpture in an outdoor show sponsored by the Roanoke Fine Arts Center in early June. He also attended the Tenth International Sculpture Conference in Toronto, Ontario, and exhibited work in several outdoor exhibitions during the summer months.

Assistant Professor Ralph MacPhail, Jr. directed a production of Gilbert and Sullivan's *The Pirates of Penzance* for the Richmond Opera Company held in Byrd Park's Dogwood Dell July 14 and 15. Mr. MacPhail, a recognized Gilbert and Sullivan scholar, is currently working on his second book, an annotated edition of *The Mikado*.

Thomas R. Thornley, Jr., Chairman of the Department of Music, presented a paper at the Elementary Science and Social Studies conference sponsored by the Virginia Department of Education. The paper and workshop that followed it explored the physics of music through sound and vibration.

Philip E. Trout, Associate Professor of Music, attended several workshops on choral conducting at the Westminster Choir College during the summer. He is currently on sabbatical during the 1978-79 academic year studying at the University of Virginia.

Home Economics

Mary LeMar Rushton of the Home Economics Department has succeeded Anna Mae Myers as the department's chairman. Miss Myers returned to private business. Mrs. Rushton, who was married to James A. Rushton over the summer, has been a member of the faculty since 1971. She served as Chairman of Nutrition Now, an organization established to address health and nutrition needs through its various programs including the Annual Health Fair. Mrs. Rushton was also appointed by the Chairman of the Virginia Home Economics Association to be the regional director of one of the four regions in the state.

Humanities and Social Sciences

During the summer of 1977, **Dr. Raymond N. Andes**, Chairman of the Foreign Language Department, traveled to France to attend the 50th annual convention of the American Association of Teachers of French. The convention, the first held outside the United States, featured leading French personalities in a number of different fields and visits to places of note in Paris.

Raymond J. D. Baker, Associate Professor of Economics, attended the 3rd International Symposium on Petroleum Economics at the University of

Laval in Quebec, Canada, in November. In attendance were representatives from 18 exporting and importing oil nations. The main thrust of the conference was to recognize the necessity for international cooperation in coping with the world energy crisis.

Dr. Emmert F. Bittinger, Professor of Sociology and Anthropology, had an article published in *Brethren Life and Thought* (Spring, 1978) on "The Simple Life: A Chapter in the Evolution of a Doctrine." In the fall, he attended the short course entitled "Human Origins: Problems in the Interpretation of New Evidence," held on the campus of Christian Brothers College in Memphis, Tennessee.

Dr. Charles J. Churchman, Associate Professor of English, spent a portion of his sabbatical leave on the Duke University campus as a fellow in a seminar program sponsored by Lilly Endowment, Inc.

Dr. W. Robert McFadden, Chairman of the Department of Philosophy and Religion, spent a portion of his sabbatical term in residence at the Ecumenical Institute for Advanced Theological Studies in Tantur, Israel, south of Jerusalem.

Debate Coach **Dale E. Mekeel**, was elected Regional Governor of Delta Sigma Rho-Tau Kappa Alpha, national honorary forensic society, for a three year term.

Lamar B. Neal, Associate Professor of Political Science and History, took part in a panel discussion on "Teaching American Government" at the annual meeting of Virginia political scientists held in Lexington in December.

Dr. Roger E. Sappington, Professor of History, was commissioned by the Board of Directors of Camp Mack, a Church of the Brethren camp in Indiana, to work on a history of the camp. He spent several summer months in residence at the camp researching the accumulated records.

Sciences

Dr. Lowell V. Heisey, Professor of Chemistry, is currently directing a special institute for elementary science teachers. Supported by a \$14,978 grant from the National Science Foundation, the course is being presented during the 1978-79 academic year, providing three hours of college credit for each participant. Also teaching are **Dr. L. Michael Hill**, Professor of Biology, and two science teachers from Rockingham and Augusta Counties.

Dr. Fred G. Keihn and **Dr. Heisey** attended the Duke University "College Faculty Workshop on Energy" held on the Duke campus in June. The program was designed to provide advanced understanding of energy technology, energy resources needs, and energy conservation systems.

President Gelsert and Dr. William Mengebier of the Biology Department were on hand to greet new students at the opening reception.

George W. Kent, Chairman of the Psychology Department, a student of the adaptive behavior of marine animals, was one of the participants in the University of Maryland short course "Life in the Oceans."

Dr. Harry G. M. Jopson, Professor of Biology, again served on the staff of the Mountain Lake Biological Station where he taught Herpetology during the months of June and July.

Dr. John W. Martin, Jr., Chairman of the Chemistry Department, was on sabbatical leave during the spring term of 1978, serving as a visiting research chemist in the Department of Chemistry at the University of California at Riverside.

Dr. William Mengebier, Chairman of the Biology Department, taught at the Governor's School for the Gifted at Mary Baldwin College for the sixth consecutive summer. During the late summer he traveled to Great Gidding, Cambridgeshire, United Kingdom, where he served as Episcopalian priest in charge of a parish.

Dr. Dale V. Ulrich, Dean of the College and Professor of Physics, was installed as President of the Virginia Academy of Science in May at its 56th annual meeting. As President-elect in 1977-78, Dr. Ulrich was responsible for the 1978 program of the Academy. With a membership of nearly 1,500, the Academy provides opportunities for the exchange of ideas and coordination of efforts in encouraging the advancement of science.

Staff

Ted Flory, Manager of the C. E. Shull Computing Center, spoke on "The Bridgewater College Student

Records System," at a meeting of COMMON, an organization of users of small IBM computers, held in Boston in October. He also served as chairman of a panel discussion of "1130 Smorgasbord," a collection of user-contributed programs available to COMMON members. In an April meeting of COMMON, he gave a talk entitled "An Introduction to PASGAL," and served as chairman for a session entitled "The Design and Implementation of a Data Base Management System."

Jacob F. Replogle, Director of the Reuel B. Pritchett Museum, has participated in several workshops sponsored by the Smithsonian Institution during the year. They were in the areas of "Developing, Managing, and Maintaining Collections," and "Principles of Conservation and Preventive Care."

Jean Yerlan, Assistant Dean for Student Development, was named Newsletter Editor of the Virginia College Personnel Association, the state division of the American College Personnel Association. During the summer of 1978 she was enrolled in the University of Virginia working toward an Ed S. degree in Counselor Education.

Physical Education

Laura Mapp, Coach and Professor of Physical Education, was named the Small College Basketball Coach of the Year at the Kellogg's Women's Coach of the Year clinic in Atlanta, Georgia, in October. Her basketball teams were state small college champions in 1976 and 1977 and reached the finals in 1978. She is also head coach in women's field hockey and tennis.

Campus Events

Continuing Education

During opening faculty meetings, which signaled the beginning of the 1977-78 academic year, Dr. Judith Prince led a seminar on current student development concepts. Dr. Prince, an educational consultant, is the author of *How to Decide: A Guide for Women* and *The Future of Student Affairs*, widely used resources in student development work.

In December, Dr. James McHolland, National Director of Human Potential Seminars in Evanston, Illinois, conducted a campus workshop on goal-oriented advising systems with a selected group of faculty and staff members. This was of great assistance in developing ways whereby faculty can better assist students in planning their individual goals and working toward them during the four years they are in college.

Two adult continuing education courses were offered for six weeks beginning in January. "An Introduction to Marine Biology" was taught by Dr. William L. Mengebier, Chairman of the Biology Department. Dr. James J. Kirkwood, Chairman of the English Department, taught a course entitled "The Power of Language."

During the winter a series of three land use seminars, jointly sponsored by Bridgewater College and the Virginia Foundation for the Humanities and Public Policy, explored aspects of land planning from a variety of perspectives including those of realtors, lawyers, county supervisors, and college professors.

Spiritual Life Institute

Nearly 400 persons were in attendance at the 83rd Spiritual Life Institute despite the snowy weather of early February. Featured speakers at the Institute were: Dr. Warren F. Groff, President and Professor of Theology at Bethany Theological Seminary; Dr. Lauree Hersch Meyer, '55, theology professor at Belmont Abbey College in Belmont, N.C., and the Rev. Ernest R. Gibson, Pastor of the First Rising Mt. Zion Church in Washington, D.C., and Executive Director of the Greater Washington Council of Churches.

New BCA Program in England

A semester program at St. Mary's College in Cheltenham, England, is being initiated during the 1978-79 academic year as an expansion of the existing Brethren Colleges Abroad programs in Strasbourg, France; Marburg, Germany; and Barcelona, Spain.

Participants in the program in England will spend 15 weeks at St. Mary's College where, in close cooperation with five other colleges in the area, they will have opportunities for registration in courses offered in these colleges. In addition, the students will ex-

amine the British system of middle schools, secondary schools, and vocational/technical schools, with weekend trips to places that will enrich the students' cross-cultural awareness.

H. Gus Muntzing, '24, retired judge of the 22nd Circuit Court in West Virginia, examines the plaque presented to him, along with the other Life Trustees, at the President's Dinner.

President's Dinner

Nearly 200 persons attended the President's Dinner held November 3rd in the Kline Campus Center Dining Room. State Senator Nathan H. Miller, '55, addressed the guests, filling in for Congressman J. Kenneth Robinson who was unable to be present because of an extended House session.

President Geisert and Dr. R. Douglas Nihonger, Chairman of the Board of Trustees, presented plaques to the Life Trustees and Honorary Trustees who were present in gratitude for their years of dedicated service to the College. Life Trustees are: Frederick D. Dove, Hagerstown, Md.; Harry A. Driver, Weyers Cave, Va.; D. Wilmer Garber, Woodbridge, Va.; John T. Glick, Bridgewater, Va.; John M. Kline, Jr., Mt. Crawford, Va.; Charles D. Lantz, Broadway, Va.; Lowell N. Layman, Cloverdale, Va.; Malcolm Long, Baltimore, Md.; A. D. Miller, Roanoke, Va.; J. Lee Mullendore, Hagerstown, Md.; and H. Gus Muntzing, Moorefield, W. Va. Honorary Trustees are: George S. Aldhizer, Jr., Harrisonburg, Va.; Garman G. Blough, Bridgewater, Va.; Harry F. Byrd, Jr., Winchester, Va.; and Wilmer M. Kline, Miamasas, Va.

The dinner is designed to express appreciation to those individuals who have provided a minimum of \$500 in annual support to the College.

Madrigal Dinner

This "Olde English" fete, which is fast becoming a tradition at Bridgewater, was held for two evenings in December to accommodate the many persons who wished to attend. Old English songs and carols sung and played by costumed madrigal singers and recorder consort have their own special appeal. Humorous sketches, a boar's head procession, and a traditional menu rounded out the evening.

Founders Day

Bridgewater awarded two honorary degrees during the Founders Day convocation, March 31, 1978. An honorary Doctor of Laws degree was presented to the Honorable H. Gus Muntzing, retired judge of the Twenty-Second Judicial Circuit Court of West Virginia and an alumnus of the class of 1931. Dr. Harry G. M. Jopson, member of the Biology Department faculty and Founders Day convocation speaker, was awarded an honorary Doctor of Science degree. Dr. Jopson reminisced about his forty years as a member of the Bridgewater College faculty and the changes that have taken place in those years.

Dr. Muntzing addressed the more than 400 evening dinner guests on the topic "The Other Side of the Coin," the bright side being the great advancements in technology, science, and medicine—the dark side, the worldwide terrorism, increased crime, and expanding federal indebtedness. One hope, he said, lies in the strength of church-related colleges.

Two alumni received awards from the College at the Founders Day dinner. Dr. Jacob S. Huffman, '33, received the Outstanding Service Award for his contributions to the college, the community, and the church.

James A. Maye, '65, was given the Outstanding Achievement Award by the College for his personal and professional accomplishments. Mr. Maye is Director of Studies and Analysis for the Veterans Ad-

ministration, a position that is responsible for management research and cost benefit analysis.

Concerts and Lectures

The Lyceum Series, convocation programs, and special topic seminars enrich the cultural life of the campus with the talents and expertise of outstanding musicians and speakers in a wide variety of fields.

This past year they included a trio of operatic singers, a film about modern Japan presented by Ken Wolfgang; Dr. Robert L. Short, with a slide presentation on the Peanuts cartoon, "President Carter, the Bible and Peanuts;" the New Orleans Ragtime Orchestra; the New Cadek String Quartet; a series of presentations during Human Sexuality Week; Thayer Soule, film lecturer, "The Andes;" and a dramatic presentation by the Alpha-Omega Players, among many others.

Potpourri

"The Ascent of Man," a film series produced by the BBC-TV and Time-Life Films, was shown on campus during the months of January and February, sponsored by the Rockingham Chapter of the Virginia Museum of Fine Arts.

Leadership for the Brethren Youth Roundtable held on campus in April was provided by the covenant Players from Reseda, California, and Ralph and Mary Cline Detrick, Consultants for Life Cycle Ministries for the Church of the Brethren Parish Ministries Commission. Nearly 400 high school young people were in attendance.

Dr. Richard C. Halverson, pastor of the Fourth Presbyterian Church in Washington, D. C., was Focus Week speaker this year on the topic, "Identity, Alienation, and Loneliness." Accompanying Dr. Halverson was Dr. James M. Huston, principal of Regent College, a theological school for lay persons attached to the University of Vancouver in British Columbia. Dr. Huston spoke to a gathering of faculty members.

Ralph and Marlene Deacon, Co-vice-chairpersons of the Parents Advisory Committee, visit with faculty and other parents at the reception for new students held in September.

Facts on Finance — The 1977-78 Year

An analysis of the operating statement for the year ended June 30, 1978, and the balance sheet as of June 30, 1978, confirms that the excellent support provided the College by its constituencies has again made possible a sound fiscal operation while providing an excellent program in private higher education. The ability of the College to maintain its tradition of operating on a balanced budget was due in no small measure to the generous and increasing annual fund and unrestricted gift support of its constituencies.

The net worth of the College increased by over \$620,000 during the twelve-month period. Since the assets of the College including its physical facilities and its endowment investments are carried on the books at acquisition costs rather than at current market prices and/or insurable values, the actual worth of the total of the College's assets is substantially more than shown in the balance sheet even in this period of somewhat depressed values in the securities markets.

Dr. R. Douglas Nininger, Chairman of the Board of Trustees.

In addition to the total of gifts and grants (\$778,804.47) received directly by the college and reflected in the above table, some of which related to student financial assistance, Bridgewater College received for direct use by its students Federal funds totaling \$149,499 (National Direct Student Loans — \$64,814, Basic Educational Opportunity Grants \$84,685) and Commonwealth of Virginia funds totaling \$206,919 (Tuition Assistance Grants — \$175,591, College Scholarship Assistance Grants — \$31,328).

A total of 1,754 alumni contributed \$167,611 through the Alumni Annual Fund effort; the previous year's Alumni Annual Fund giving total was \$141,770. Alumni gifts for all purposes during the 1977-78 year amounted to \$323,336.

Contributions from local churches of the Church of the Brethren totaled \$58,846, almost all of which was in direct support of current operations. Business, corporate, and foundation support totaled \$169,849.

During the year, \$70,710 was received as bequests and bequest-related contributions. Estates which included bequests reflected within this figure were those of Anna Catherine Driver, Clyde Holsinger, Lester Hoover, Barbara J. Miller, Clayton B. Miller, G. W. Petcher, and Leonard A. Thomas.

In addition, memorial gifts were received honoring William A. Bigham, Denise L. Clendaniel, Jessie Conner Eller, Russell E. and Mary Zigler Mason, Thomas Jackson Whetzel, Merlin Peterson, and Mary Kay Simmons.

Currently, 44 individuals and family units have annuity contracts with the College totaling over \$750,000. These agreements assure the annuitants of substantial lifetime earnings and that their investments will be used for the strengthening of Bridgewater College when they no longer require them.

Volunteer Leadership

Mrs. Anna Myers Harman, '35, President-elect of the Alumni Association in 1977-78.

W. Wallace Hatcher, '55, Trustee and Chairman of the Alumni Gifts Committee of the First Century Completion Fund.

New Trustees

Three new trustees were elected to the Board at its fall meeting: Abraham J. Evans, '69, an administrative staff member at Potomac State College in Keyser, West Virginia; Paul L. Groff, '57, pastor of the Westminster, Maryland, Church of the Brethren; and Paul J. Hartman, '30, Emeritus Professor of Law of Vanderbilt University. Mr. Evans and Mr. Groff represent the Westmarva and Mid-Atlantic Districts of the Church of the Brethren respectively.

United States Senator Harry F. Byrd, Jr., a Virginian deeply concerned with the preservation of the private sector of America's dual system of higher education, was elected an honorary trustee at the fall meeting.

J. Carson Quarles, Executive Vice-President of the First National Exchange Bank of Roanoke, Virginia, was welcomed into membership of the Board of Trustees at its spring meeting as the representative of the Virginia District of the Church of the Brethren.

Centennial Committee

Violet S. Cox, '59, of Harrisonburg, was named Chairman of the committee responsible for the planning of Bridgewater College's centennial celebration in the 1980-81 academic year. The Centennial Committee's Executive Committee, which was established under the authorization of the Board of Trustees, will serve as the nucleus of the larger

planning committee. Other Executive Committee members are: Roland Z. Arey, Mayor of Bridgewater; Wayne F. Geisert, President of Bridgewater College; Harry G. M. Jopson, member of the Biology Department faculty; James L. Keeler, Vice-Chairman of the Bridgewater College Board of Trustees and Managing Partner of the Harrisonburg accounting firm of Keeler Phibbs, and Company; Jonathan Lyle, President of the Student Senate for the 1978-79 academic year; Nathan H. Miller, Virginia State Senator and Harrisonburg attorney; D. Lathan Mims, Editor and General Manager of the Harrisonburg *Daily News-Record*; R. Douglas Nininger, Chairman of the Bridgewater College Board of Trustees and real estate developer in Salem, Virginia; Robert Sterrett, Executive Vice-President of the Harrisonburg-Rockingham Chamber of Commerce; Stanley R. Wampler, Executive Director of the Shenandoah District of the Church of the Brethren; and Brydon M. DeWitt, Bridgewater College Director of Development. Mr. DeWitt will serve as Executive Secretary of the Centennial Committee. One centennial project already underway is the writing of a history of the College by Dr. Francis F. Wayland, '30, an author, historian, and former Chairman of the Department of History and Political Science at Wagner College in New York. Dr. Wayland's father, John W. Wayland, '99, the noted Valley historian, wrote an early history of the College.

Annual Fund Volunteers

Alumni provide assistance to the College in many ways. Clearly, a good deal of the success of the alumni giving program can be attributed to the appeals made by class chairmen to their classmates. This past year 40 alumni in classes from 1918 through 1976 served as class chairmen, encouraging their classmates to follow their lead in responding to the needs of the College.

Another boost to the annual fund program came through the work of volunteers assisting with the Telethon. For 20 nights in April phones were ringing throughout the United States as student, alumni, faculty, and staff volunteers dialed from the Kline Campus Center. The evenings were characterized by friendly rivalry as each caller tried to gain the lead in top dollars pledged to the College. Over 3,111 calls were attempted with 79 volunteers helping make the calls. The total amount pledged was \$22,601, nearly a 32% increase over the preceding year.

Harrisonburg-Rockingham County Business and Professional Campaign

O. Walton Wine, Jr., President and Chief Executive Officer of Valley National Bank in Harrisonburg, served as chairman of the campaign. In that capacity, Mr. Wine directed the work of more than 65 local business and professional volunteers who solicited their own number for capital fund contributions to the college. Their efforts resulted in gifts to the College of \$28,947, an increase of more than \$5,000 over the previous year.

Parents' Activities

Members of the Parents Advisory Committee served as a link between the parents and the College. They acted as hosts and hostesses at the informal receptions for new students and their parents at the opening of school and during Parents Day in October. Serving as Co-chairpersons this past year were Eugene and Mary Sue Blosser. Mrs. Blosser is employed as Administrative Assistant to the Harrisonburg, Va., city manager, and Mr. Blosser is President of The Floor Shop in Harrisonburg. Their son, Chris, is a senior business administration major.

Alumni Association

Dr. Fred A. Diehl, '60, headed the Alumni Association during the past year, assisted by President-Elect Anna Myers Harman, '35, Treasurer Greg W. Geisert, '72, and Secretary Esther Pence Garber, '31.

The two occasions on which alumni return to the campus in greatest numbers, Homecoming and Alumni Day, were most successful this past year. Homecoming turned out to be a beautiful day, capped by a 10-7 win over Liberty Baptist. The reunion dinners were well attended, and the evening Chorale concert under the direction of Jesse Hopkins, was most enjoyable.

The Alumni Day reunion luncheons in late May held their members visiting with each other until the afternoon organ recital by Patricia Huffman Sherfy, '62.

Dr. Ralph Wolfe, '42, was honored by the Alumni Association as its 1978 Distinguished Alumnus at the evening dinner. Dr. Wolfe is a member of a team of University of Illinois researchers who have discovered a distinct new class of organisms, a third form of life. He was presented for the award by Dr. Paul V. Phibbs, '64, microbiologist at the Medical College of Virginia of Virginia Commonwealth University.

A special program this year was "An Evening of Music," presented by Dr. Nelson T. Huffman, '25, on the evening of Alumni Day. With Dr. John Barr as his piano accompanist, Dr. Huffman played the accordion and sang a program of familiar songs to the delight of his audience, many of whom were members of vocal organizations from past years. The highlight of the evening was the announcement made by President Geisert that Dr. Huffman had agreed to give Bridgewater College a new concert grand piano for Cole Hall performances.

Several awards to students were presented at the dinner. Anita Hall, an art major from Alexandria, received an award for her contributions to her class and the college.

Alumni scholarship award recipients for the 1978-79 year were Gerald P. Crouse, a rising senior business administration major, and Lee Lani Wright, a rising junior biology major.

First Century Completion Fund

Bridgewater College Trustees: Garland F. Miller, Giving Clubs Committee Chairman; James L. Keeler, National Chairman of 8 by '80; and R. Douglas Nininger, Chairman of the Board.

At the close of the College's fiscal year on June 30, 1977, the total amount committed to the 8 by '80 development program was \$3,515,053 in cash and pledges. Nearly 3,400 individuals, along with corporate, business, and church support have made this total possible. The \$1,000,000 commitment made by Mr. V. L. Frederick of Arlington, Va., has now increased the total to over \$4,500,000 in cash and pledges.

A major portion of the \$8 million development program goal, nearly \$3 million, is earmarked for the College's educational program which includes support for current operations, student financial aid, faculty salaries, and book acquisitions. Another major portion is designated for building the endowment portfolio. During the year the endowment fund grew by approximately \$66,000 to \$1,961,833. Endowment earnings along with contributed support made up a substantial portion of the financial assistance the college was able to direct to numerous deserving students during the last year. Financial aid packages, which included loans and student employment as well as scholarships, ranged from \$400 to \$4,000 in 1977-78 with 35% of the student body receiving financial aid based upon need.

One of the projects completed during the past year was the renovation of Yount Hall for use by the offices of Admissions, Financial Aids, and Career Planning, and the Department of Foreign Languages. This fine facility with its functional design and tastefully

appointed interior is serving these offices well and providing an attractive place for the use of prospective students and their families during visits to campus.

The response during the year to the \$25,000 alumni challenge grant was overwhelming. It more than met its goal of encouraging greater alumni participation and generating new and increased contributions to the Annual Fund. 1,754 alumni contributed a record \$167,610 in cash during the year. Total alumni giving for the year exceeded \$323,000. Gifts eligible to be matched came from 614 alumni, 335 of whom did not contribute the year before. The challenger matched dollar for dollar new and increased gifts from alumni during the fiscal year. This successful program was led by W. Wallace Hatcher, '55, President of Lantz Construction Company in Broadway, Va., and Chairman of the Alumni Gifts Committee.

A \$10,000 challenge grant from an anonymous parent couple boosted the number of parents giving to the college from 132 to 253 as compared with the preceding year and brought in increased gifts with \$10,771 of the total amount eligible to be matched. Total parent giving amounted to \$32,774. Members of the Parents Gifts Committee under the chairmanship of A. Barry Blay, Vice-President of the Standard Wall and Window Division of the Kawneer Company, have attempted to make parents aware of the dependence of the College on gift income to help underwrite its educational budget.

Participants in the Giving Clubs Program were

responsible for cash gifts of \$207,659 during the 1977-78 fiscal year, \$35,421 more than the previous year's total. Participation through cash gifts also increased from 715 donors in 1976-77 to 784 in 1977-78 under the leadership of Garland F. Miller, '33, chairman.

Two new clubs were established this past year, the Presidents' Club and the Builders Club. Membership in the Presidents' Club is based upon a minimum contribution of \$5,000 annually. Cumulative giving amounting to more than \$50,000 is recognized by life membership in the Presidents' Club. When an individual's giving totals \$100,000, his or her investment in the College is recognized by permanent membership in the Founders Society.

The Builders Club was established to recognize those persons whose contributions to the college in one year fall in the range between \$250 and \$499. This past year 105 persons made contributions in those amounts, bringing \$25,989 in resources to the College. This was an increase of 63 in the number of contributors with gifts in that range.

Membership in all clubs rose significantly this past year. Sixteen members of the Presidents' Club contributed \$176,921 to the College in cash and kind gifts. The Benefactors Club, with minimum annual contributions of \$1,000, had 57 individuals contributing \$84,620. The Investors Club, with minimum annual contributions of \$500, had 47 persons contributing \$26,332; and the Sustainers Club, with annual contributions ranging from \$100 to \$249, had 424 indi-

viduals contributing \$50,636 to the College.

The Church Gifts Committee, headed by Frank C. Rittenhouse of Timonium, Md., serves as a vital and effective communication link between each local church and the College. Persons at the local, sectional, and district levels assist in student recruitment, in sharing current college news, and in stimulating annual support from churches. A total of \$58,845 was contributed for current operations, special purposes, and for student grants during the year.

Through estate planning, many alumni and friends have found helpful and mutually beneficial avenues of giving to the College. Convenient giving vehicles include outright bequests, trust plans (Charitable Gift Annuities, Unitrusts, Annuity Trusts, Deferred Payment Gift Annuities), and assignments of life insurance or some combination of these. Members of the Estate Planning Committee with Harold H. Hersch, '51, a Manassas, Va., attorney as chairman, have been providing valuable assistance to the College by promoting understanding of both the importance of contributions through these deferred giving plans and the advantages to potential donors the plans afford.

We are encouraged by the progress in all phases of the First Century Completion Fund effort. The effectiveness of the leadership which many are giving is borne out by the results. Bridgewater College is fortunate to have such dedicated and interested persons working on its behalf.

The enthusiasm of the student callers was responsible in a large part for the success of the 1978 telethon.

Honor Roll of Donors

FOUNDERS SOCIETY

The Founders Society has been established to properly honor those men and women—past and present—who through their generous investments of time, talent, and resources have undergirded Bridgewater College for continued excellence in educational service.

These individuals have attained membership in this society after their cumulative giving reached a minimum of \$100,000 or after having made a gift of a minimum of that amount.

Corporate Support through the VFIC

The contributions reported in the body of this report as coming to the college through the Virginia Foundation for Independent Colleges represent Bridgewater's share of the proceeds from the cooperative efforts of twelve of Virginia's private colleges and many hard-working leaders of the Virginia business community. Other colleges sharing in the VFIC contributions are Emory and Henry, Hampden-Sidney, Hollins, Lynchburg, Mary Baldwin, Randolph-Macon, Randolph-Macon Woman's College, Roanoke, Sweet Briar, Richmond, and Washington and Lee.

Although, because of space limitations, the listing of contributions published annually in the brochures of the Virginia Foundation is not repeated here, Bridgewater College acknowledges with gratitude the support of the firms affiliated with the VFIC effort as well as their concern for maintaining and improving a productive private sector in higher education.
